## CHAIRMAN'S MESSAGE

Dear Shareholders,

It gives me immense pleasure in presenting to you the 30<sup>th</sup> Annual Report of the Company and thanking you for your continued support and goodwill that is critical to the success of your Company. I and on behalf of the India Steel Board of Directors would now like to highlight some key aspects of the year under review:

- Revenue touched an all-time high of ₹ 104,845.50 lakhs in comparison to the last year revenue as ₹ 64,407.58 Lakhs, while EBITDA increased by 13.36 % to ₹ 3, 404.96 Lakhs. However, PAT was lower due to higher interest and depreciation on account of capitalization of the 120 MW captive power plant.
- Net worth of the Company has increased from ₹ 237.02 Crores in F.Y. 2015-16 to ₹ 244.974 Crores in F.Y. 2016-17, due to increase in profit for the year ended 31<sup>st</sup> March, 2017.

During the Year, Mr. Deepak Kumar Gaur joined the Board, having rich experience of over 21 years in Operations of Various Iron and Steel Plants, previously associated with leading stainless steel producing companies.

Steel being crucial to the development of any modern economy and is also considered to be the backbone of human civilization. The level of per capita consumption of steel is treated as an important index of the level of socio-economic development and living standards of the people in any country. It is a product of a large and technologically complex industry having strong forward and backward linkages in terms of material flows and income generation.

India's economic growth is contingent upon the growth of the Indian steel industry. Consumption of steel is taken to be an indicator of economic development while steel continues to have a stronghold, being a key ingredient in traditional sectors and several industries such as construction, housing and ground transportation, special steels are increasingly being used in engineering industries such as power generation, petrochemicals and fertilizers, will continue to be related closely to the economic prospects of a country or region. India occupies a central position on the global steel map, with the establishment of new state-of-the-art steel mills, acquisition of global scale capacities by players, continuous modernization and up gradation of older plants, improving energy efficiency and backward integration into global raw material sources.

India is mature in the world stainless steel industry, with ever-increasing product-range & capacities. There is a growing pool of skilled labour and technical staff that are capable of managing metallurgical & process parameters of stainless steel. India Steel Works is poised at the forefront of the Indian stainless steel industry, and its strategic location is perfect for capitalizing on this. The plant, located just outside the thriving hub of Mumbai city, is close to the ports, perfect for international shipment and at the hub of the Indian highway system for domestic transport.

We believe that in staying true to our motto of "Inner Vision. Global Action" we will maintain our relationships with all our stakeholders, grow continuously, and match the world's best in stainless steel, having a perfect combination of Dedication, Aim and Route Map.

While our Management team & employees took significant initiatives to improve the operating performance, market challenges offset the benefits of internal improvement efforts leading to significant profit erosion. Our in house testing labs are equipped with world class testing equipment and our quality control team works independently to guarantee that there is no compromise on the quality of steel that we deliver.

Finally, I would like to take this opportunity to thank you as the shareholders of the Company for your support & motivation to the Company during the year. I would also like to thank the lenders, customers, suppliers, various national & provincial governments with whom we have been working, further shall appreciate the employees, workers and Unions of India Steel group Companies who have stood by the Company & I look forward to their continuous dedication and support in the future.

Yours Sincerely,

Ashwinkumar H. Gupta  
Chairman

## MANAGEMENT DISCUSSION AND ANALYSIS

### Economic Scenario: Global

In 2016, the world crude steel production reached 1628 million tonnes (mt) and showed a growth of 0.8% over 2015.

China remained world's largest crude steel producer in 2016 (808 mt) followed by Japan (105 mt), India (96 mt) and the USA (79 mt). World Steel Association has projected Indian steel demand to grow by 5.4% in 2016 and by 5.7% in 2017 while globally, steel demand has been projected to grow by 0.2% in 2016 and by 0.5% in 2017. Chinese steel use is projected to decline in both these years - by 1% in 2016 and by 2% in 2017.

### Economic Scenario: India

The Indian steel industry was the third largest producer of crude steel in 2015 against its 8<sup>th</sup> position in 2003. Also the country is third largest consumer of finished steel in the world preceded by China and the USA. The total steel demand stood at 80 million tonnes growing at 4.5% over the previous year. During the year, India continued to witness significant level of imports to the tune of 10 million tonnes as against 13 million tonnes last year, while initiatives like the safeguard duty and minimum import price have provided some relief to predatory pricing being followed by the exporting countries

### The Stainless Steel Industry

Steel is crucial to the development of any modern economy and is considered to be the backbone of human civilization. The level of per capita consumption of steel is treated as an important index of the level of socio-economic development and living standards of the people in any country. It is a product of a large and technologically complex industry having strong forward and backward linkages in terms of material flows and income generation. All major industrial economies are characterized by the existence of a strong steel industry and the growth of many of these economies has been largely shaped by the strength of their steel industries in their initial stages of development.

India's economic growth is contingent upon the growth of the Indian steel industry. Consumption of steel is taken to be an indicator of economic development. While steel continues to have a stronghold in traditional sectors such as construction, housing and ground transportation, special steels are increasingly being used in engineering industries such as power generation, petrochemicals and fertilizers. India occupies a central position on the global steel map, with the establishment of new state-of-the-art steel mills, acquisition of global scale capacities by players, continuous modernization and up gradation of older plants, improving energy efficiency and backward integration into global raw material sources.

India is currently the world's fourth largest producer of crude steel (knocking to be the third largest by the year end) and is expected to become the second largest producer by 2020

During the year, global steel demand stood at 1.5 billion tonnes, a decline of approximately 2.5% compared to the previous year. The demand of steel in China was also reduced as compared to previous Financial Year. Considering the current scenario in Steel Industry it seems the demand may fall in Financial Year 2016-17. Also, the demand was significantly lower in other countries such as – Brazil, USA, Russia etc.

Steel demand in Europe grew by 2.3% to 150 metric tonnes (2014: 4.7%), mainly due to growth in the automotive sector. In 2015, the EU became a net importer of steel, for the first time since 2008. The increase was mainly fulfilled by imported steel from China.

### Megatrends driving demand:

- Economic and population growth
- Mobility and Urbanization
- Climate Change and Limited Resources

### Key Customer Industries:

- Consumer Goods and Catering Industry
- Automotive and Transport Industry
- Mechanical & Plant Engineering
- Power Generation
- Chemical Industry
- Medical Equipment

- Architecture and Building Industry
- Heavy Industries
- Aviation Industry
- Food & Packaging
- Structural & Civil engineering

**CERTIFICATE ON CORPORATE GOVERNANCE**

To,

The Shareholders of India Steel Works Ltd.

We have reviewed the records concerning the Company's Compliance with Regulation 27 and Schedule II of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 entered into by the Company with the Stock Exchanges of India for the financial year beginning April 1, 2016 and ending on March 31<sup>st</sup>, 2017.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. We have conducted our review on the basis of the relevant records and documents maintained by the Company and furnished to us for review and the information and explanations given to us by the Company.

Based on such review, in our opinion, the Company has complied with Regulations of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 of the Stock Exchanges of India.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## INDEPENDENT AUDITOR'S REPORT

To

The Members

INDIA STEEL WORKS LIMITED

### 1. Report on the standalone Financial Statements

We have audited the accompanying financial statements of **INDIA STEEL WORKS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss and Cash Flow statement, for the year then ended, and a summary of the significant accounting policies and other explanatory information in which is incorporated the unaudited financial statement of overseas branch.

### 2. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### 3. Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### 4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017, its profit and its cash flows for the year ended on that date.

**ANNEXURE – B TO THE AUDITORS REPORT****ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF INDIA STEEL WORKS LIMITED****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

To the Members of India Steel Works Limited

We have audited the internal financial controls over financial reporting of India Steel Works Limited ("the Company") as of March 31, 2017, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes forming part of the financial statements

### 1 Significant Accounting Policies-

#### 1.1 Basis of accounting

The financial statements have been prepared on historical cost convention and as a going concern and in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the Section 211(3C) of the Companies Act, 1956. The company follows mercantile system of accounting and recognizes income and expenditure on accrual basis.

Estimates and Assumptions used in the preparation of financial statements are based upon the management's evaluation of relevant fact and the circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date.

All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III to the companies Act, 2013.

#### 1.2 Inventories :

Inventories are valued at cost or net realizable value whichever is lower; cost is ascertained on the following basis :

- Raw Material, Packing Material, tools, spares and consumable are valued at cost on plus direct cost incurred to bring the stock to its existing level.
- Work in progress are valued at cost of manufacturing based on cost of Raw material and labour and overheads cost up to the relevant stage of completion.
- Finished Goods valued at cost or Market price which ever is less.

#### 1.3 Cash and cash equivalents (for purposes of Cash Flow Statement) :

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### 1.4 Events occurring after the date of Balance Sheet :

Material events occurring after the date of Balance Sheet are considered up to the date of approval of the accounts by the board of directors. There are no substantial events having an impact on the results of the current year Balance Sheet.

#### 1.5 Prior Period Items and Changes in Accounting Policies :

No Prior Period items have materially affected this year's financial statements. Figures of previous year have been regrouped, rearranged and stated in line with the current year's presentation.

#### 1.6 Depreciation :

Depreciation on all tangible assets has been provided over the useful life of assets as specified in Schedule II of the Companies Act, 2013 using Straight Line Method.

#### 1.7 Revenue recognition :

Sales are accounted for net of Excise Duty, VAT and claims etc. Revenue from sale of products is recognized upon passage of title to the customer on acceptance of goods which generally coincides with the dispatch of materials. Dividend Income is recognized when the right to receive the dividend is unconditional at the Balance Sheet date. Interest Income is recognized on accrual basis.

#### 1.8 Fixed Asset :

Fixed Assets are accounted at cost of acquisition or construction. Fixed assets are capitalized net of CENVAT / VAT for which credit is taken and includes borrowing cost directly attributable to construction or acquisition of fixed assets, up to the date the asset is ready to use.

#### 1.9 Capital work in Progress and Preoperative Expenses during Construction period

Capital Work-in-Progress includes expenditure during construction period incurred on projects under implementation treated as pre-operative expenses pending allocation to the assets. These expenses are apportioned to the respective fixed assets on their completion / commencement of commercial production.

#### 1.10 Employee Benefits

- Company's Contribution to the provident fund and family pension funds is recognized during the year in which related service is rendered.

**Notes forming part of the financial statements**

- b. Provisions for the leave encashment & gratuity liabilities, which are not funded, have been determined on internal workings.
- c. Terminal benefits are recognized as an expense as and when incurred.

**1.11 Borrowing costs :**

Borrowing costs that are directly attributable to the acquisition, construction or production of fixed assets are capitalized as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

**1.12 Related Party Transactions :**

The related parties are identified by the management of the Company and relied upon by the Auditors. The related party transactions are reported at their net value (Excluding indirect taxes).

**1.13 Taxes on income :**

Current tax is determined based on the amount of tax payable in respect of taxable income for the financial year ending on 31<sup>st</sup> March.

Deferred tax is recognized, subject to consideration of prudence, on timing difference, being the difference between taxable income and accounting income that originate in one period are capable of reversal in one or more subsequent periods. Deferred tax assets, are recognized only to the extent there is virtual certainly supported by convincing evidence of its realization.

**1.14 Cash flow statement**

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income of expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

**1.15 Miscellaneous Expenditure :**

Miscellaneous expenditure is written off over a period of future economic benefit available not exceeding five years.

**1.16 Foreign Currency Transaction**

All transactions in foreign currency are recorded at the rate of exchange prevailing on dates when the relevant transactions take place. In case of payment/realizations against these transactions in the same accounting year the respective expense/income head is debited/credited. In case of transactions where payments/realizations take place in the subsequent years the exchange gains/losses are accounted under exchange rate difference.

**1.17 Provisions and contingencies :**

The company recognizes provisions when there is a present legal or constructive obligation as a result of past event that probably require an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure of a contingent liability is made when there is possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made. Provisions are not discounted to its present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current best estimates.

**ITEM NO. 9 APPOINTMENT OF MR. DEEPAK KUMAR GAUR AS AN EXECUTIVE DIRECTOR**

The Board of Directors of the Company appointed, pursuant to the provisions of sub-section (1) of Section 161 of the Companies Act, 2013 and the Articles of Association of the Company, and on the basis of the recommendation of Nomination & Remuneration Committee, Mr. Deepak Kumar Gaur ( DIN 07636636), who was appointed as an Additional Director w.e.f. 9<sup>th</sup> November, 2016.

In terms of the provisions of sub-section (1) of Section 161 of Companies Act, 2013, Mr. Deepak Kumar Gaur would hold office up to the date of the ensuing Annual General Meeting. The Company has received a notice in writing from a member along with the deposit of requisite amount under Section 160 of the Act proposing the candidature of Mr. Deepak Kumar Gaur the office of Director of the Company.

Mr. Deepak Kumar Gaur is Graduate in Science and Mechanical Engineering .He has also completed his Master degree in Business Administration with specialisation in Marketing and Human Resource from Nagpur University. He has rich experience of over 21 years in Operations of Various Iron and Steel Plants. He was previously associated with leading stainless steel producing companies."

Mr. Deepak Kumar Gaur is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has provided his consent to act as a Director.

The Board considers that his association would be of immense benefit to the Company; henceforth the Board recommended the appointment of Mr. Deepak Kumar Gaur as an Executive Director, for the approval by the shareholders of the Company.

Mr. Deepak Kumar Gaur does not hold any shares directly or indirectly in the Company. He is an additional Director in a Public Limited Company, Isinox Limited.

Copy of draft letters for appointment of Mr. Deepak Kumar Gaur as Director, setting out the terms and conditions are available for inspection by members at the registered Office of the Company.

**ITEM NO. 10: BORROWING POWERS**

The Shareholders of the Company had authorized the Board of Directors of the Company by way of Special Resolution in the year 1996, under clause (d) of sub-section (1) of Section 293(now repealed) of the Companies Act, 1956 to borrow moneys for the purpose of the Company's business in excess of the paid-up capital of the Company and its free reserves provided the sum or sums so borrowed and remaining outstanding at any point of time shall not exceed ₹ 250Crores (Rupees Two Hundred and Fifty Crores).

However, pursuant to the provisions of clause (c) of sub-section (1) of Section 180 of the Companies Act, 2013 (the 'Act'), the Board can exercise such borrowing powers only with the approval of Members of the Company by way of Special Resolution. It may be mentioned that there is no change in the borrowing limit of ₹ 250 Crores (Rupees Two Hundred and Fifty Crores) as earlier approved by the shareholders. The resolution is accordingly recommended for approval as a Special Resolution by the Shareholders of the Company.

In compliance with Section 293(1)(a) of the Companies Act, 1956, Members of the Company had authorized Board of Directors to create charge on assets/undertakings of the Company to secure its borrowings from time to time. Consequent to repeal of Section 293(1)(a) of Companies Act, 1956, to facilitate the Board to create mortgage / charge on assets and/or undertakings of the Company from time to time, to secure borrowings of the Company, it is recommended that your Board be authorized for the purpose under the provision of Section 180(1) (a) of the Companies Act, 2013.

The Board recommends the Resolutions for your approval. None of the Directors, Key Managerial Personnel of the Company, and/or their relatives is deemed to be concerned or interested in the proposed resolution.
